T Ananda Rao Esq. C.I.E.
Dewan of Mysore

Sir, With reference to the correspondence terminating with the sanction of 3 months privilege leave to myself as Inspector of Coffee Estates I have the honour to inform you that shortly after my arrival in London I saw Surgeon-General Branfoot personally & he strongly advised me to stay away from India for a longer time, & gave me the certificate I now enclose. I should have forwarded the same before, but I have been hoping, notwithstanding to be able to return by the 14th of October

I have now seen General Branfoot again, as I had a slight return of dysentery lately he has repeated his advice

I am therefore forwarding his medical certificate, & have decided to stay longer in England in the hopes of getting fully restored to health, & hope to reach Mysore the latter part of November

Regretting that I am obliged to remain longer,

I have the honor to be.

Sir

Your most obedient Servant

H Pilkington

2 Sept. 1910.

We certify that Mr Henry Pilkington is at present in a bad state of health as the result of residence in the Tropics and will not be in a fit state of health to return to India in October We therefore recommend that he be granted an extension of leave for a period of two months.

Letter of 15th Septr 10 from
Mr Pilkington stating that he
is compelled by ill health to
request an extension of leave
till the end of June 10 & enclosing
a medical certificate supporting
his request

Mr Pilkington was granted
leave for 3 months under 179(a)
Cs & R & he availed himself
of the same from 14th July 1910
His leave expires by the 13th Inst
of Oct 1910. He now states
that he hopes to reach Bangalore by
the latter part of November
which is an extension of his
leave for another 1½ months
roughly. The medical certi-
ficate recommends an extension
of 2 months

The Dewan wishes to see the
application: what will the
leave & the allowances be.
Mr Pilkington as a temporary
employee is entitled only to
a maximum of 3 months
leave of whatever kind it may

be – whether privilege leave on full pay – medical leave on half pay or leave without allowances – under art 179(a) 206 (1) & 209 (1) respectively But leave without allowances may be granted a second time at the option of the superior (art 209 (2)). The most advantageous course for Mr Pilkington would be to have the first 3 months as privilege leave & the rest as leave without allowances. The maximum amount of leave that a temporary Employé can have is 6 months. 3/10 md 3/10 pd which he can get leave allowances only for 3 months. The Secretary however may see some reason to grant him more than 3 months.

My dear Sir,

In reply to your letters of the 15th Sept & 1st Oct. I write to say that you may avail yourself of such additional leave as you stand in need of for recruitment of your health, but the question of the nature of leave & allowances, if any, can be settled only after I know all the circumstances that may have to be taken into consideration for carrying on your work, and the total period of your absence. It is also possible that under the rules in the Service Regulations the period of privilege leave already granted to you may have to be treated as leave on medical certificate or some other kind of leave in which case the leave allowances will be further period will also be affected.

Sir

Acting under Surgeon General Bramfoots advice I have reluctantly decided to remain in England till after Xmas

I much regret having to do this at this time of year and I can only

say that it entails considerable loss on me, personally

As the Deputy Commissioners of Hassan & Kadur will probably be requiring estimates of the coming crops on the Coffee Estates lately hypothecated to the Agricultural Banks of Chikmagalur Saklaspur, I venture to suggest that it necessary Mr J G H Crawford

be asked to make estimates of the Crops & report on the General condition of the Saklaspur Estates And that either Mr C. H. Browne or Mr Hugonin be asked to do the same regarding the Chikmaga lur Estates

In both districts I could suggest that my reports for the last 3 years be given to whoever is asked to inspect the estates as a guide, and

for his general information.

Regretting that illness has thus prevented my return

I have the honor to be
